Out of hours deliveries and collections in stations may be requested prior to date, at an extra charge of USD \$20.

6.0 LIABILITY WAIVERS, COVERAGES AND EXCESS

The following is Europcar Jamaica's policy regarding Liability Waivers and Excess.

1. The Renter will be held responsible for returning the vehicle in the same condition in which it was received and is therefore liable up to the full value of the vehicle.
2. The Renter's Liability can be reduced by the purchase of Liability Waivers. Theft and Collision are two separate incidents and therefore carry two separate waivers. ***The basic coverage of Collision Damage Waiver (CDW) is mandatory for all rentals.***
3. All Waivers carry an Excess. The Excess amount represents the amount of the Renter's Liability. ***The Renter is covered in excess of that amount.***
4. Europcar Jamaica Does Not offer Zero Excess.
5. The Company does not accept Liability waivers purchased through third party companies (.coms). Rental Vehicle Insurance provided by Allstate, AAA, and other insurance companies are not applicable to vehicle rental in the territory of Jamaica.
6. Some credit card companies offer Car Rental Insurance to their elite customers. In some instances Europcar Jamaica will accept this in lieu of liability waivers. ***To be accepted, the Renter must demonstrate sufficient proof of applicable coverage. Proof must be provided in writing, in the form of a Proof of Coverage Letter issued by the card holder's bank and must mention: the specific type of card covered, the max amount of the coverage, the maximum rental duration of the coverage, and must specify that coverage is applicable in Jamaica.***
 - a. It is the Renter's responsibility to provide proof of coverage.
 - b. In order to use the coverage provided with a credit card, all charges associated with the rental (including deposits) must be placed on that same card. Partial payments with cash or another card is not allowed even if the other card also has coverage. Also, the credit card holder must be named on the Rental Agreement.
 - c. If by using the coverage provided by the credit card, the Renter declines the purchase of the Liability Waiver, he/she will still be liable for the full value of the vehicle and must settle all charges with Europcar Jamaica and claim back from their card issuer or underwriter. ***Credit card insurance is not accepted for vehicle categories: IFAR / IWAR / FVAR***

6.1 CDW: Collision Damage Waiver

The Daily Price of this Package depends on the Category that you booked:

CATEGORY	PRICE PER DAY	EXCESS
EDAR / CDAR / IDAR	\$12	\$1,200
IFAR / IWAR /FVAR	\$14	\$1,800

This Package does not include coverage for Windscreens, Lights, Mirrors or Tires.

- Our collision damage protection product limits your financial exposure for damage caused to the Vehicle whilst it is in your care. If you purchase our standard collision damage protection product and comply with the applicable road traffic laws and rental terms and conditions, then we will pay for the cost of damage to the Vehicle that exceeds the Excess amount. You can reduce the Excess amount by purchasing our premium collision damage protection product (SCDW) instead of the standard collision damage protection offering.
- This protection does not cover the loss or theft of or damage to objects or property, (including luggage or goods) that are deposited or kept or transported in or on the Vehicle by you or by any Passenger.

What does this protect me against?

This product protects you from liability for any amount greater than the Excess amount for the following combined costs related to:

- The cost of damage to or repair of the Vehicle or its book value if it is not repairable and must be written off; and
- Our Loss of Use of the Vehicle whilst it is being repaired and / or written off; and in circumstances where:
- You collide with a fixed or moving object; or
- The Vehicle is subject to an act of vandalism which is not caused by negligence of the driver (please refer to the Common Negligence examples below)
- Natural Catastrophes: you will be covered for the consequences of event qualifying as natural catastrophes as defined under JAMAICA'S law. An excess, which is determined by Decree, will still be payable by the renter.

What is excluded from the protection?

- Loss or damage to your own property that is being transported or kept in or on the Vehicle during the rental period.
- You will be financially liable for the full cost of the damage to the Vehicle if the damage is caused:
 - by the willful acts of the driver; or
 - by an explosion or fire in (or to) the Vehicle because you were using it to transport dangerous goods (dangerous goods being any product or substance that, due to its nature and/ or main characteristics, is reasonably considered to be dangerous and which, if not transported with appropriate caution and safety, could cause harm to the Vehicle, and to any Third Party within a reasonable distance of the Vehicle); or
 - By its total or partial theft or an act of vandalism whilst the Vehicle is left parked unattended.
 - Because the keys are lost or stolen
 - By your negligence (which is behavior that falls below the standards expected of a reasonably sensible person in similar circumstances) or the negligence of your Passengers

COMMON NEGLIGENCE examples (but are not limited to) include:

- *Improper advances, which cause collisions or vehicle to flip over.*
- *Running through red lights, or not obeying traffic signs, which may result in collision or vehicle flip over.*
- *Driving at a higher speed than what is established by Law for the particular road the vehicle is on.*
- *Driving under the influence of alcohol or drug consumption.*
- *Driving through rivers.*
- *Leaving keys in car doors or on the ignition while vehicle is unattended, leaving doors open or unlocked during absence.*
- *When the vehicle is parked in a "no parking" zone or in a place where theft or damage of the vehicle is fomented.*

What is the amount of my financial exposure?

If during your rental the Vehicle is damaged and you have not purchased this protection you will have to pay for the total cost of the damage as well as compensation due its immobilization. However, if you added this cover to your rental agreement and complied with our Rental Terms and Conditions and the applicable law and road traffic regulations, then the maximum you can be charged by us is the Excess amount in case of any damage (excluding lights, tires, windscreen and excluding damages made due to common negligence).

Is CDW mandatory in Jamaica?

CDW cover is required when the customer cannot present written valid proof or evidence of credit card CDW protection in Jamaica. We strongly recommend our customers to purchase Europcar Jamaica's basic protection CDW in order to enjoy their trip without the worry.

Please be aware of the following:

- If you elect to be covered by your card's insurance and decline Europcar's protections, the guarantee deposits will range from \$2,000 to \$3,000, depending on the vehicle category, plus rental estimate and extras. This is because Europcar Jamaica needs to be sure that there is enough credit to assume full responsibility for any damages caused to the vehicle.
- The extent of coverage provided by credit card companies varies and is usually subject to certain restrictions, in particular concerning the maximum length of rental and the type of vehicle which can be covered. These "covers" are usually only for collision protection and are generally very specific to the area you are traveling to, for example (Latin America, Europe, Asia, etc.), to the type of vehicle reserved and to the roads the vehicle is driven upon.

6.2 THW: Theft Waiver

The Daily Price of this Package depends on the Category that you booked. Theft protection can only be added to a collision package and reduces the overall Excess.

CATEGORY	PRICE PER DAY	EXCESS
EDAR / CDAR / IDAR	\$10	\$800
IFAR / IWAR /FVAR	\$12	\$1,500

- Our theft protection product limits your financial exposure for loss of the Vehicle if it is stolen. If you have purchased this product and you have complied with the Rental Terms and Conditions, you will not be liable for the costs arising from the theft in excess of the Excess amount. You can reduce the Excess amount by purchasing our premium theft protection product (THW).

What am I protected against?

- In addition to the protection provided with the collision package you have purchased, this product protects you from liability for any amount greater than the Excess amount for the following combined costs related to:

- The Theft of the vehicle not caused by an act of common negligence (see common negligence examples)
- The cost of damage or repair of the Vehicle (if it is recovered);
- Our Loss of Use in the Vehicle whilst it is being repaired

What is excluded from the protection?

The product will not protect you in the following circumstances:

- If the Vehicle is stolen or damaged because of your negligence or more specifically (but without limitation) as a result of keys being left in the Vehicle whilst it is unattended or having been delivered to an unauthorized person; any failure by you to return the keys to us or if you left the Vehicle unlocked when you weren't using it;
- Theft of or damage to personal and / or work related goods or possessions and any goods being transported in or on the Vehicle
- Tires, lights, mirrors and windscreen

What must I do to benefit from the cover?

You must:

- Purchase the product
- Comply with the rental terms and conditions
- Notify the local police of any incident or event immediately and provide us with the police report or evidence that the theft has been notified to the police
- Return the keys

What is the amount of my financial exposure?

- If during your rental the Vehicle is stolen and you have not purchased this protection product, then you will be liable for the full cost of the damage to the Vehicle (if the Vehicle is recovered) or for the full Book value of the Vehicle if it is not recovered as well as the total amount due in the rental agreement.
- With the theft protection, the maximum you will be charged by us is the Excess amount (if and only if you have complied with the Local Rental terms and conditions).

6.3 TPL: Third Party Liability Insurance

We are mandated by the laws of JAMAICA to insure our Vehicles against liability for the claims or actions of Third Parties. A basic Third Party Liability is automatically included as part of our vehicle rental services. You will therefore, as a matter of course, be covered up to the level legally required by JAMAICA's Government for the consequences others may suffer as a direct result of your actions whilst you are driving the Vehicle.

What am I covered for?

As provided by law, you will be insured against liability for the financial cost of any of the following consequences that may arise as a result of an incident that you cause when you are using the Vehicle:

- Bodily injury or death suffered by Third Parties

What is excluded from the cover?

Third Party Liability insurance does not cover:

- Bodily injury or death that you (the driver at the time of the collision) may suffer; or
- Any damage to or loss of your personal property or possessions; or
- Any damage caused to the Rented Vehicle

What is the amount of my financial exposure for Third Party Liability?

You will be covered for the financial cost of any Third Party Liability arising as the result of a collision that you may cause whilst you are driving the Rented Vehicle up to the level legally required.

How to notify us?

- In circumstances involving Third Parties it is important that you do your utmost to properly complete and sign our Accident Report form as well as hand in the traffic ticket and our insurers report (given at the accident site), which gives us all relevant details of both the incident and of the Third Party. This will allow us to defend our case against the Third Party (if you are responsible for the incident) or to recover costs from the Third Party (if the Third Party is responsible for the incident). The Accident Report form should be transmitted to us within 5 working days of the incident or as soon as you reasonably can in the circumstances. *All incidences which involve a third party must be reported to the local police.*
